OFFER ANNOUNCEMENT

1. INTRODUCTION

ZICO Capital Pte. Ltd. ("**ZICO Capital**") wishes to announce, for and on behalf of Cenvios Holdings Pte. Ltd. (the "**Offeror**"), that the Offeror intends to make a voluntary unconditional general offer (the "**Offer**") for all of the issued and paid-up ordinary shares ("**Shares**") in the capital of Sen Yue Holdings Limited (the "**Company**"), other than those already owned, controlled or agreed to be acquired by the Offeror (collectively, the "**Offer Shares**" and each, an "**Offer Share**").

2. THE OFFER

2.1 **Terms.** Subject to the terms and conditions to be set out in the formal offer document to be issued by ZICO Capital for and on behalf of the Offeror (the "**Offer Document**"), the Offer will be made by the Offeror in accordance with Section 139 of the Securities and Futures Act 2001 of Singapore (the "**Securities and Futures Act**") and the Singapore Code on Take-overs and Mergers (the "**Code**") on the following basis:

- (a) **Offer Shares.** The Offeror will make the Offer for all of the Offer Shares in issue, including any Offer Shares owned, controlled or agreed to be acquired by parties acting or deemed to be acting in concert with the Offeror in relation to the Offer.

(b) **Offer Consideration.** The consideration for each Offer Share (the “**Offer Consideration**”) will be, at the election of the shareholders of the Company (the “**Shareholders**” and each, a “**Shareholder**”), either:

- (i) **S\$0.008** in cash (the “**Cash Consideration**”); **OR**
- (ii) in lieu of the Cash Consideration, one (1) new ordinary share in the capital of the Offeror (“**New Offeror Share**”) which the Offeror shall allot and issue at an issue price of **S\$0.008** per New Offeror Share (the “**Securities Consideration**”).

The New Offeror Shares are not and will not be listed on any securities exchange when allotted and issued on settlement of the Securities Consideration or as at the close of the Offer.

(c) **Election.** Each Shareholder:

- (i) who is holding Offer Shares as a depositor (as defined under the Securities and Futures Act) or in scrip form (“**Directly-Held Offer Shares**”) shall only be entitled to elect to receive the Cash Consideration or, in lieu thereof, the Securities Consideration for all of its Directly-Held Offer Shares, but not a mixture of both; and
- (ii) who is holding Offer Shares in its capacity as a depository agent on behalf of sub-account holder(s) (as defined under the Securities and Futures Act) (“**Indirectly-Held Offer Shares**”) shall, in respect of each sub-account holder, be entitled to elect to receive the Cash Consideration or, in lieu thereof, the Securities Consideration for all the Indirectly-Held Offer Shares held on behalf of such sub-account holder, but not to elect a mixture of both,

(each Shareholder under paragraph 2.1(c)(i) of this announcement and depository agent for and on behalf of each sub-account holder under paragraph 2.1(c)(ii) of this announcement, shall be referred to as an “**Electing Party**”). If a Shareholder holds both Directly-Held Offer Shares and Indirectly-Held Offer Shares through sub-account(s) with depository agent(s), such Shareholder shall elect to receive either the Cash Consideration or the Securities Consideration (and not a combination of the two) in respect of all of its Directly-Held Offer Shares, and direct the depository agent(s) to elect to receive the same Cash Consideration or Securities Consideration, as the case may be, in respect of all of its Indirectly-Held Offer Shares.

In the event that any Electing Party who has tendered their Offer Shares in acceptance of the Offer does not elect between the Cash Consideration or the Securities Consideration, whether due to an absence or failure of a valid election, such Electing Party will be deemed to have elected to receive the Cash Consideration for all of its Offer Shares tendered in acceptance of the Offer.

In addition, any Electing Party electing to receive the Securities Consideration will be required to comply with and provide particulars and supporting documents as may be required to satisfy the anti-money laundering and counter-terrorism financing regulations and guidelines prescribed by the Accounting and Corporate Regulatory Authority of Singapore, failing which such Electing Party will be deemed to have elected to receive the Cash Consideration for all of its Offer Shares tendered in acceptance of the Offer. Further details of the procedures for acceptance of the Offer will be set out in the Offer Document and the relevant form(s) of acceptance accompanying it.

- (d) **Rights and Encumbrances of Offer Shares.** The Offer Shares will be acquired:
- (i) fully paid;
 - (ii) free from all claims, charges, liens, pledges, mortgages, encumbrances, declaration of trust, hypothecation, retention of title, power of sale, equity, options, rights of pre-emption, rights of first refusal, moratorium or other third party rights or interests of any nature whatsoever (“**Encumbrances**”); and
 - (iii) together with all rights, benefits and entitlements attached thereto as at the date of this announcement (the “**Announcement Date**”) and hereafter attaching thereto, including but not limited to the right to receive and retain (if any) all dividends, rights, other distributions and/or return of capital (collectively, the “**Distributions**”) announced, declared, paid or made by the Company in respect of the Offer Shares on or after the Announcement Date.
- (e) **Adjustment for Distributions.** Without prejudice to the generality of the foregoing, the Offer Consideration has been determined on the basis that the Offer Shares will be acquired with the right to receive Distributions that may be declared, paid or made by the Company on or after the Announcement Date. If any Distribution is announced, declared, paid or made by the Company in respect of the Offer Shares on or after the Announcement Date to a Shareholder who accepts or has accepted the Offer, or if the Offer Shares held by a Shareholder are compulsorily acquired by the Offeror, and the settlement date in respect of the Offer Shares accepted pursuant to the Offer or compulsorily acquired by the Offeror falls after the record date for the determination of entitlements to such Distribution, the Offeror reserves the right to reduce the Offer Consideration payable to such Shareholder by the amount of such Distribution.

2.2 **Unconditional Offer.** The Offer will be unconditional in all respects.

2.3 **New Offeror Shares**

- (a) **New Offeror Shares.** The New Offeror Shares to be allotted and issued pursuant to the Securities Consideration will, on allotment and issuance, be duly authorised, fully paid up and validly allotted and issued, and free from all Encumbrances and ranking *pari passu* in all respects with all other ordinary shares in the capital of the Offeror (the “**Offeror Shares**”) as at the date of their allotment and issuance.
- (b) **Offeror Constitution.** The full terms and conditions of the New Offeror Shares which are being offered to the Shareholders under the Securities Consideration are set out in the constitution of the Offeror (the “**Offeror Constitution**”), a copy of which will be made available for inspection during the normal business hours at the registered office of the Offeror at 3 Jalan Pesawat, Singapore 619361 from the date of issuance of the Offer Document and up to the close of the Offer. Salient provisions of the Offeror Constitution will be set out in the Offer Document.
- (c) **No Options.** Based on the latest information available to the Offeror, there are no outstanding instruments convertible into, rights to subscribe for, nor options in respect of, securities which carry voting rights of the Company (collectively, “**Options**”) as at the Announcement Date. In view of the foregoing, the Offeror will not be making an offer to acquire any Options.
- (d) **Risk Factors.** There are certain risk factors that relate principally to the Offeror and the ownership of the Offeror Shares, including:

- (i) the Offeror Shares are not and will not be listed on any securities exchange when allotted and issued on settlement of the Securities Consideration or as at the close of the Offer;
- (ii) there being no assurance that the Offeror will declare dividends on the Offeror Shares; and
- (iii) the Offeror not being subject to the same corporate and listing disclosure and corporate governance requirements that the Company is subject to.

Further details will be set out in the Offer Document. Shareholders should carefully consider and evaluate the risk factors, together with all of the other information contained in this announcement and the Offer Document before deciding to elect for the Securities Consideration.

3. IRREVOCABLE UNDERTAKINGS

3.1 **Irrevocable Undertakings.** Each of the Shareholders named in Schedule 1 to this announcement (collectively, the “**Undertaking Shareholders**”) has given an irrevocable undertaking (each, an “**Irrevocable Undertaking**”) to the Offeror to, *inter alia*:

- (a) tender all the Shares that it holds as at the date of the Irrevocable Undertaking, and any other Shares which it may subsequently acquire after the date of the Irrevocable Undertaking, in acceptance of the Offer by the third (3rd) market day after the date of issuance of the Offer Document to the Shareholders, in accordance with the procedures prescribed in the Offer Document and the relevant form(s) of acceptance accompanying it; and
- (b) elect to receive, in respect of the relevant Undertaking Shareholder’s Shares, the Securities Consideration.

As at the Announcement Date, the Undertaking Shareholders collectively hold 2,848,809,046 Shares, representing approximately 87.98% of the total number of Shares¹. Details of the Shares held by the Undertaking Shareholders as at the Announcement Date are set out in Schedule 1 to this announcement.

3.2 **Duration.** The Irrevocable Undertakings will lapse upon the earlier of:

- (b) ZICO Capital, for and on behalf of the Offeror, failing to release this announcement within five (5) market days from the date of the Irrevocable Undertakings or such other date as may be extended by mutual written agreement of the Offeror (on the one hand) and the relevant Undertaking Shareholder (on the other hand), subject to the requirements of the Code.

3.3 **No Other Irrevocable Undertakings.** Save for the Irrevocable Undertakings, neither the Offeror nor any Relevant Person (as defined below) has received any irrevocable undertaking from any party to accept or reject the Offer as at the Announcement Date.

¹ As at the Announcement Date, based on public information, the total number of issued and paid-up Shares is 3,238,030,038 (with no treasury Shares). Unless otherwise stated, the total number of Shares shall be the said 3,238,030,038 Shares for the purposes of computing any percentage shareholdings in respect of the Company referred to in this announcement.

- 4.5 **Potential Conversion to Public Company.** In the event that the number of Shareholders who elect to receive the Securities Consideration will result in the Offeror having more than fifty (50) shareholders (counting joint holders of Offeror Shares as one (1) person and not counting any person in the employment of the Offeror or its subsidiaries), the Offeror will be converted from a private company to a public company, pursuant to and in accordance with the provisions of the Companies Act.

5. INFORMATION ON THE COMPANY

- 5.1 **The Company.** The Company is a company incorporated in Singapore on 7 September 2001 and listed on the Catalist of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) on 8 April 2002. The Company, together with its subsidiaries (collectively, the “**Group**”), is a metallurgical and surface treatment solutions provider for products across a diverse range of industries including audio-visual, automotive, bicycles, electrical and electronics, luggage and power tools, micromotor, screw and fastener, and general hardware. The main business activities of the Group can be classified into three (3) broad business segments, namely Metal Components, Electrodeposition Coating and Resources Recovery.

As at the Announcement Date, the board of directors of the Company consists of the Promoter (non-executive chairman), Mr Tian Jiping (non-independent and non-executive director), Mr Ong Shen Chieh (Wang Shengjie) (independent director), Mr Tay Boon Zhuan (independent director) and Mr Lay Shi Wei (independent director).

- 5.2 **Company Shares.** As at the Announcement Date, the Company has an issued and paid-up share capital of S\$59,639,044 comprising 3,238,030,038 Shares.
- 5.3 **Trading Suspension.** Trading in the Shares has been suspended since 4 May 2020. Pursuant to Rule 729 of the SGX-ST’s Listing Manual Section B: Rules of Catalist (the “**Catalist Rules**”), “*where the trading of securities of an issuer is suspended, there must not be any transfers of securities, unless approved by the Exchange*”. Accordingly, in connection with the Offer, an application was made to the SGX-ST for the approval of the SGX-ST for the transfer of Shares pursuant to the Offer and any exercise of the right of compulsory acquisition pursuant to Section 215(1) of the Companies Act (the “**SGX Approval**”). The SGX Approval was granted on 23 December 2025.

6. RATIONALE FOR THE OFFER

- 6.1 **Intention to Delist and Privatise the Company.** The Offeror intends to make the Offer with a view to delisting and privatising the Company.
- 6.2 **Access to Funding and Borrowing Capacity Adversely Affected Due to the Ongoing MAS Investigation and Trading Suspension of the Shares.** The Company is currently still under investigation by the Monetary Authority of Singapore (the “**MAS Investigation**”) and the trading

in the Shares has been suspended since 4 May 2020. The MAS Investigation coupled with the trading suspension have adversely affected the Company's access to funding and borrowing capacity including via the equity capital markets, thereby limiting the Company's ability to pursue growth opportunities or to finance its operations and capital requirements.

- 6.3 **Opportunity for Shareholders to Realise Their Investment in the Shares.** The Cash Consideration is at a premium of approximately 11.1% to the Group's net asset value ("NAV") per Share of S\$0.0072 as at 30 September 2025.

The Cash Consideration provides Shareholders who wish to exit the Company with an opportunity to liquidate and realise their investment in the Shares at a premium to the NAV per Share, an option which has not been otherwise available since the trading suspension. The Cash Consideration represents a clean cash exit opportunity for Shareholders to realise their investment without incurring brokerage and other trading costs.

- 6.4 **Greater Management Flexibility.** The Offeror is of the view that the delisting and privatisation of the Company will provide the Offeror and the Company with greater control and management flexibility in (a) utilising and deploying the available resources of the Company and (b) pursuing and implementing the Offeror's business strategies and other options for the Group.

- 6.5 **Reduced Compliance Costs of Maintaining Listing.** In maintaining its listed status, the Company incurs compliance and associated costs while trading in the Shares continues to be suspended since 4 May 2020. In the event that the Company is delisted from the SGX-ST, the Company will be able to save on expenses relating to the maintenance of a listed status and focus its current resources on its business operations.

- 6.6 **Shareholders Have an Option to Elect to Accept the Securities Consideration.** Shareholders will have an option to elect for the Securities Consideration in the form of New Offeror Shares.

If successfully privatised, the Offeror will review and carefully examine the business opportunities afforded to the Company including a possible spin-off of the Company's core business units and such opportunities may involve entering into joint ventures, collaborations, investments and acquisitions or may involve the restructuring or reorganisation of the Company or a combination thereof which can result in increased operating risk to the Company especially given the current global operating and economic environment.

Shareholders are provided with a choice pursuant to the Offer between:

- (a) the Cash Consideration for Shareholders who do not wish to be subject to the risk of uncertainty in the direction and strategy of the Company following privatisation; or
- (b) the Securities Consideration in the form of New Offeror Shares for Shareholders having long-term investment objectives who believe in the management team and the business model of the Company (albeit subject to investment, execution and other risks commensurate with a shareholding in the Offeror).

The New Offeror Shares are in an unlisted company, and Shareholders should carefully consider the risks and the terms and conditions of the Offeror Shares to be set out in the Offer Document should they wish to elect to receive the Securities Consideration.

- 6.7 **No Other Likely Alternatives for Shareholders to Realise Their Investment in the Shares.** It is unlikely for there to be other competing offers for the Company (or for such competing offers to succeed) given that the Undertaking Shareholders with an aggregate shareholding

interests of 87.98% in the Company have provided undertakings to the Offeror to accept the Offer.

7. OFFEROR'S INTENTIONS FOR THE COMPANY

The Offeror intends for the Company to continue its existing business activities and there are currently no plans to (a) introduce any major changes to the business of the Company, (b) re-deploy any of the fixed assets of the Company or (c) discontinue the employment of any of the existing employees of the Company or its subsidiaries, other than in the ordinary course of business. The Offeror retains and reserves the right and flexibility, at any time and from time to time, to consider and evaluate strategic options in relation to the Company, including but not limited to a possible spin-off of the Company's core business units, if and when such opportunities arise and are considered to be in the best interests of the Company. As at the Announcement Date, no definitive plans have been formulated nor have any professional advisers been appointed in relation to such matters.

8. COMPULSORY ACQUISITION

- 8.1 **Compulsory Acquisition Rights.** Pursuant to Section 215(1) of the Companies Act, if the Offeror receives valid acceptances pursuant to the Offer or acquires the Shares during the Offer period otherwise than through valid acceptances in respect of not less than 90% of the total number of Shares (other than those already held, or treated as held, by the Offeror as at the date of the Offer), the Offeror would be entitled to exercise the right to compulsorily acquire all the Shares of Shareholders who have not accepted the Offer (the "**Dissenting Shareholders**") at a price equal to the Cash Consideration.

In the event that the Offeror becomes entitled to exercise the right under Section 215(1) of the Companies Act to compulsorily acquire all the Shares of the Dissenting Shareholders, the Offeror intends to exercise such right, and upon such exercise, the Dissenting Shareholders shall receive the Cash Consideration (and not the Securities Consideration) for such Shares acquired by the Offeror. In such event, the Company will become a wholly-owned subsidiary of the Offeror and the Offeror will then proceed to delist the Company from the SGX-ST.

- 8.2 **Dissenting Shareholders' Rights.** In addition, pursuant to Section 215(3) of the Companies Act, if the Offeror acquires such number of Shares which, together with the Shares held by the Offeror or treated as held by the Offeror and Shares held in treasury by the Company, comprise 90% or more of the total number of Shares, the Dissenting Shareholders have a right to require the Offeror to acquire their Shares at the Offer Consideration. Dissenting Shareholders who wish to exercise such a right are advised to seek their own independent legal advice.

9. LISTING STATUS OF THE COMPANY

- 9.1 **Listing Status of the Company.** Trading in the Shares has been suspended since 4 May 2020. Notwithstanding the trading suspension, under Rule 723 of the Catalist Rules, the Company must ensure that at least 10% of the total number of the Shares (excluding Shares held in treasury) is at all times held by the public (the "**Free Float Requirement**").

Pursuant to Rule 1104 of the Catalist Rules, upon an announcement by the Offeror that acceptances have been received pursuant to the Offer that bring the holdings owned by the Offeror and parties acting in concert with it to above 90% of the total number of the Shares (excluding Shares held in treasury), the SGX-ST may suspend the trading of the Shares on the SGX-ST until such time it is satisfied that at least 10% of the total number of Shares (excluding Shares held in treasury) are held by at least 200 Shareholders who are members of the public.

Rule 1303(1) of the Catalist Rules provides that if the Offeror succeeds in garnering acceptances exceeding 90% of the total number of Shares (excluding Shares held in treasury), causing the percentage of the total number of Shares (excluding Shares held in treasury) held in public hands to fall below 10%, the SGX-ST will suspend trading of the Shares only at the close of the Offer.

In addition, under Rule 724(1) of the Catalist Rules, if the percentage of the total number of Shares (excluding Shares held in treasury) held in public hands falls below 10%, the Company must, as soon as practicable, notify its sponsor of that fact and announce that fact and the SGX-ST may suspend the trading of all the Shares. Rule 724(2) of the Catalist Rules states that the SGX-ST may allow the Company a period of three (3) months, or such longer period as the SGX-ST may agree, to raise the percentage of Shares (excluding Shares held in treasury) in public hands to at least 10%, failing which the Company may be delisted from the SGX-ST.

9.2 **Intention of the Offeror.** The Offeror intends to privatise the Company and does not intend to preserve the listing status of the Company. The Offeror has no intention to undertake or support any action for any trading suspension by the SGX-ST to be lifted.

In addition, the Offeror intends, and hereby reserves its right, to take steps at an appropriate time, whether during or after the Offer, to seek a voluntary delisting of the Company from the SGX-ST, where permitted by, and in accordance with, the relevant requirements of the Catalist Rules and the Code. In the event that the Free Float Requirement is no longer met, the Offeror intends to seek a voluntary delisting of the Company from the SGX-ST pursuant to Rules 1307 and 1308 of the Catalist Rules (collectively, the “**Voluntary Delisting Requirements**”). The SGX-ST will generally consider waiving strict compliance with the Voluntary Delisting Requirements if (a) the Offer is fair and reasonable (and the independent financial adviser to the Company has opined that the Offer is fair and reasonable), and (b) the Offeror has received acceptances from independent Shareholders at the close of the Offer that represent a majority of at least 75% of the total number of Shares held by Shareholders (other than the Offeror and persons acting in concert with the Offeror) (the “**Independent Shareholders**”). The Offeror will make an announcement if it receives acceptances of the Offer in respect of 75% of the total number of Shares held by Independent Shareholders.
